

You're Invited

to our
2009 ANNUAL MEETING

Tuesday, April 28, 2009

Door prize tickets collected: 6:00 to 7:00 pm

Meeting: 7:00 pm

Wong Kerlee International Conference Center

Loma Linda University

*(Located in the Coleman Pavilion Building north of the
Loma Linda Medical Center)*

Mark your calendar now for your credit union's 2009 Annual Meeting. We will talk about the financial status of the credit union and goals for the upcoming year. We will also hold elections for the 2009 Board of Directors. This important distinction makes your credit union different from banks and other for-profit financial institutions. Our governing body (Board of Directors) is democratically elected by you, our members. They volunteer their time to help guide our primary mission of providing a wide range of not-for-profit financial services. We return the income made from our services directly to our members in the form of better dividend rates on savings and lower interest rates on loans. Be a part of this important occasion. For more information, call your credit union at (909) 796-0206 or visit www.llfcu.org.

WARNING:

“Phishing and Vishing” Attacks Increase

Many people have received an e-mail, text message, or telephone call, supposedly from their credit card or debit card company, credit union or bank directing them to call a telephone number to re-activate their card due to a “security issue.” Variations of this scheme are known as “Vishing” (a combination of “voice” and “phishing.”)

Vishing operates like phishing with scammers trying to persuade consumers to divulge their Personally Identifiable Information, claiming that their account was suspended, deactivated, or terminated. Recipients are directed to contact their financial institution via a telephone number provided in the e-mail or by an automated phone recording. Upon calling the number, the recipient is greeted with “Welcome to (name of bank or credit union)...” and asked to enter their card number in order to resolve the pending security issue.

As a reminder, La Loma FCU will never contact you via e-mail or telephone to request any personal or sensitive information. If you receive any suspicious inquiries about your La Loma accounts, please contact the credit union immediately at a number you obtain independently, such as from your statement, a telephone book, or other independent means.
